

Prepare for Your Ski Season with Indigo Neo

We are pleased to announce that you can now apply for parking rights in Tignes for the 2024-2025 season.

This first step will allow you, if eligible, to purchase your season pass online starting from October 14th.

How to obtain parking rights in Tignes?

1. Go to the [parking rights application page for Tignes](#).
2. Select "Tignes Parkings" to apply for all parking lots, unless you are eligible for Montayes parking, in which case select "Montayes Parking."
3. Choose the type of pass you wish (seasonal, residential, etc.).
4. Submit your request by uploading the required documents according to your situation.

Our team will process your request promptly, and you will receive a response by email.

Your Right, Your Flexibility

Once your parking right is obtained, you will be able to purchase a pass for any of the Tignes parking lots from October 14th, unless you applied specifically for Montayes parking. You will have the flexibility to choose the parking lot that best suits your location and needs.

Important Information

Obtaining parking rights does not guarantee the availability of a pass in your chosen parking lot.

Spaces are allocated based on demand and availability, so be sure to purchase your pass as soon as possible starting from October 14th.

Your parking right grants you access to offers for all the parking lots included in the list.

We look forward to welcoming you to Tignes at the INDIGO parking lots for another winter sports season.
